TODAY IS "D" DAY FOR THE DIOCESAN SERVICES APPEAL - 1975

All parishioners are asked to return the DSA pledge card that was mailed to them during the regular Sunday offering this weekend. If you forgot your pledge card, please mail it to the rectory in the self-addressed envelope you received. Those who did not receive a pledge card in the mail may stop in the main vestibule of the church today and a DSA worker will assist you in making a pledge to this annual Diocesan program which enables the church of our diocese to minister to thousands during the year that could not be reached without your assistance.

HALL RENOVATION UPDATE WEEK X

"I think I'll like it!"

We know we'll like it. Steady progress continues in the church hall renovation endeavor - thanks to all who have pledged and/or contributed to our special 10 week fund drive. While the special drive officially ended last Sunday, a 'new look' will continue to emerge over the next few weeks.

I am indebted to the special assistance Mr. Ben Sharp and Mrs. Madeline Groshans provided in tabulating all pledges and donations for this special project. Since all pledges are not due until December 1, 1975, some additional work yet remains for them.

As of last Sunday, April 20, 1975, the results of the 10 week drive are quite encouraging.

The groom is the son of Mrs. Frank W. Godek and the late Mr. Godek of Ann Arbor. The bride is the daughter of Mr. and Mrs. Donald L. Carter of Pinckney.

SPRING FLEA MARKET IN PLANNING STAGES

The Spring Flea Market for the benefit of the St. Vincent de Paul charitable works of the parish has been set for SATURDAY, May 17th, from 10:00 a.m. until 2:00 p.m. Those who signed the Time and Talent survey in September stating that they would like to help on this project will be contacted for work times this week so that all schedules can be set up and information given to each group of workers.

Items needed are: TOYS, KITCHEN & SMALL HOUSEHOLD ITEMS, LARGE ITEMS FOR SALE AND FOR AUCTION, WOMEN'S/GIRLS' ITEMS, AND MEN'S/BOYS' ITEMS. Drop off and work preparations days will be THURSDAY, MAY 15th, and FRIDAY, MAY 16th, from 10:00 a.m. until Noon, and from 2:00 until 4:00 p.m. in the school building.

We ask that you bring items worth selling and that do not need major fixing as we do not have people on hand to make repairs on items or clothing. All rooms will be adequately marked so that you may drop off separate items in their respective places, thus eliminating our having to move things around several times.

Luncheon will be served from 11:00 on. The auction will be held at 1:00 p.m. in the yard between school and church to facilitate parking for weddings, etc. We hope to make this a tremendous success as we did on the first attempt last year. We need you to do this, so please begin scouting around now for those things you really do not need or want any more. We will put everything to good use.

Equality, Development, Peace

WHY WOMEN

FOR YOU, AS WOMAN:

The UN has declared 1975 as International Women's Year (IWY) with three goals:

1. To promote equality between men and women;
2. To ensure the full integration of women into the total development effort of nations;
3. To recognize the importance of women's increasing contribution to the strengthening of world peace.

The basic principle underlying the activities of the year is that society as whole, both men and women, will benefit from the building of a more just, human society, one in which women bear a proportionate responsibility for the making of decisions as well as for their execution.

The women's issue is a matter of social justice, which the Church has said is "a constitutive dimension of the preaching of the Gospel." Unfortunately, many socially aware, concerned women tend to dismiss the women's struggle because they see far greater injustices faced by the poor or minorities. Such a course ignores the fact that the injustices support each other.

American women daily grow more aware of the many areas of injustice which are inherent in their everyday life. Perhaps greatest among these is that the women are persuaded not to use their talents in the public sphere. In this way, the qualities for which they are lauded inthe private domain - qualities sadly needed in our socio-economic-political realm - are systematically screened out of the national and international decision-making process. It will take all the more effort for US women to learn to identify the forces that keep women poor and powerless in our own country, as well as whole nations in the global community, and struggle to bring about new freedoms. Will American women rise to the challenge - to be critical of the values we embrace in our own lives, as well as those we export as a nation, the power our country wields over many, and form a solidarity with women everywhere to fight for a better world order?

In many respects we have been more privileged than most groups of women around the world. The burden falls on us to sharpen our perceptions of the woman's issue and broaden our concerns.

UNITED FARM WORKER MARCH FOR JUSTICE

82 Miles from Lansing to Detroit

Dave Schopich, one of the area representatives for the United Farm Workers will walk the whole 82 miles and is seeking sponsors who are willing to back him for the miles he walks. We are searching for business sponsors or individual sponsors. IF YOU ARE WILLING TO MAKE A COMMITMENT FOR THIS CAUSE, PLEASE CALL ST. JOHN'S and give your name and the amount pledged. This in turn will all be given as one sum to Dave at the end of the walk. If you are willing to participate inthe walk, call Dave Schopich at 994-0595 for more details.

MORE INFORMATION ON THE UNITED FARM WORKERS - GALLO WINES DISPUTE IS IN THE OFFING.

St. John's is planning a Farm Worker Forum. Members will be invited to give their information from both the UFW and Gallo. We are tentatively planning this forum for TUESDAY, MAY 13th, from 8:00 to 9:30 p.m. in the Parish Hall. All are invited to come and hear what members of each group has to present and to ask questions. As much material as possible will be on display for purchase that evening. You cannot make an adequate judgment without knowing both sides of an issue ... are you willing to come this evening to hear both sides? We hope to see many in attendance.

May 4 through 10 is Farm Worker's Week, the time when the harvest of grapes in California begins. It is for this reason that the 82 Mile walk is being undertaken at this time of year and the reason for holding a forum at St. John's. It is a time to get in touch with the needs and rights of others.

HALL RENOVATION (continued)

Total pledged: $27,327.75
Collected to date: $19,197.75
Outstanding pledges: $8,130.00

Based on these available figures, it is hoped that we will complete the renovation of the hall area itself, with the exception of the floor, install a new heating and air system in the hall and do some work in the new kitchen area. The amount of work to be done in the kitchen will be dependent upon the amount of renovation funds available at that time.

Sincerely, we are grateful to all of you who have given your vote of confidence to this needed parish project. May your generosity be rewarded.

--Fr. Harvey
